

**PROTECTIVE COVENANTS FOR
COMORE LOMA DIVISION #28**

KNOW ALL MEN BY THESE PRESENTS:

That Comore Development Inc., of the County of Bonneville, State of Idaho, being the owners of the following described property located in Bonneville County Idaho, to wit:

Comore Loma, Division No. 28 to the County of Bonneville,
State of Idaho, per the recorded plat thereof and

in order to protect their interests and that of subsequent lot and home owners in said premises, which are to be known hereafter as Comore Loma Subdivision, and in order to insure the uniform and desirable use, occupancy and improvements on said real property, do hereby impress the above described real property with the following covenants and restrictions.

1. Persons Bound by These Restrictions. The covenants and restrictions are to run with the land and all persons, corporations, partnerships or associations or other entities who now own or shall hereafter acquire any interest in any of the land herein before described, or any lot, portion or parcel thereof, shall be taken only upon, and held subject to, the following covenants, restrictions and stipulations as to the use thereof, and as to the construction of residences and other improvements thereon, for a period of thirty (30) years from the date hereof, at which time said protective covenants shall be automatically extended for successive periods of ten (10) years each. PROVIDED however, the owners of said lots and land may change such covenants in whole or in part during any term or extended term, such vote to require plurality comprised of not less than the then owners of two-thirds (2/3) of the actual owners of lots in the said tract, and evidence of said vote must be recorded with the County Recorder of Bonneville County, Idaho.
2. Use of Land, Cost, Frontage. None of said land or any fractions thereof shall be improved, used or occupied for any purpose other than for private residential purposes, such restriction to private residential purposes to include, but not necessarily be limited to, the following specific covenants and restrictions:
 - A. Not more than one dwelling shall be built upon each developed lot. Any dwelling shall be designed for not more than occupancy by one family and shall be a detached single-family dwelling not to exceed two stories in height. Two stories in height means: Two stories above grade at the high point of ground adjacent to the structure, no more than three (3) stories including basement is permitted. No structure shall be more than 35' high from the final grade of the lot measured at the highest corner of the footprint of the structure.

maintained in all animal enclosures.

- F. All garbage and refuse must be kept in receptacles of a design approved by the Architectural Control Board and placed in uniform locations and out of sight of the general public. Said garbage shall be disposed of at least weekly.
- G. All plans for structures of any kind to be built or installed on any dwelling site shall be first submitted to the Architectural Control Board for approval as to the location on the dwelling site, and for approval as to the architectural harmony of the proposed structure with the rest of the development. The decision of said Board in approving or denying said plans shall be in all cases final.
- H. No commercial or industrial ventures or businesses of any type may be constructed and maintained upon said property. However, home occupation is permissible as is allowed by Bonneville County Planning and Zoning regulations.
- I. No barn, coop, hutch or shelter for pets or animals shall be erected closer than 100 feet from any dwelling, or nearer than 150 feet from any front property line, or nearer than 20 feet from any side property line, unless a deviation from such restrictions shall have been approved in writing by the Architectural Control Board.
- J. No sign of any kind shall be displayed to the public view on any lot except that a sign advertising all or any portion of said property to be for sale or rent may be temporarily maintained.
- K. No lot shall be used or maintained as a dumping ground for rubbish.
- L. No noxious or offensive activities shall be carried on upon any portion of said property, nor shall anything be put thereon which may be or may become an annoyance or nuisance to the neighborhood, including but, not limited to motorcycle race tracks. All animals shall be maintained under such circumstances to insure, that they shall not become offensively odorous or noisy, including, but not limited to barking dogs.
- M. It shall be the responsibility of the lot owner to control dust at all times including, but not limited to, during construction.

N. Construction of a structure shall be finished 24 months after construction begins and receive the Certificate of Occupancy. Landscape is to be finished 12 months from obtaining the Certificate of Occupancy from Bonneville County.

3. Building Locations. No dwelling shall be located on any lot nearer than 50 feet to the front lot line, or nearer than 25 feet to any side lot line or nearer than 75 feet to any rear lot line, unless a deviation from such restriction shall have been approved, in writing, by the Architectural Control Board.

A. Shops, outbuildings and R.V. Storage Buildings will comply with the set-back requirements of Bonneville county and shall complement the residence.

4. Size of Lots. No lot shall be under one (1) acre for each dwelling. Each dwelling site shall have a frontage of not less than 100 feet along the roadway or the street servicing said lot, except a lot fronting a cul-de-sac shall have a frontage of not less than 50 feet.

5. Subdividing. No portion of this property shall be re-subdivided to create additional lots in any manner whatsoever without prior written approval of the Architectural Control Board.

6. Temporary Residences Prohibited. No trailer house, mobile homes, tents, shacks, garage, barn or other outbuildings erected on the subject property shall at any time be used as a residence, temporarily or permanently. No structure of a temporary character shall remain on the property for a period in excess of six months.

7. Restrictions on Fences and other Obstructions to View. No fence, wall, hedge, shrub, tree or other plant which would obstruct sight lines at elevations between 3 and 6 feet above the roadway, shall be placed or permitted to remain on any corner lot within the triangular area formed by the street-property lines and a line connecting them at a point 35 feet from the intersection of the street lines, or in the case of a rounded property corner, from the intersection of the street-property lines, where they extended in the fashion identified above. This same sight-line limitation shall apply on any lot in relationship to any driveway thereon and the street-property lines, but the depth of the connecting lines shall be ten feet from the intersection of the street-property lines and the appropriate edge of the driveway.

8. Architectural Control Board. The Architectural Control Board is composed of Richard Skidmore, Randy Skidmore, and Brett Skidmore. The Board may designate a representative to act for it. In the event of death or resignation of any member of the Board, the remaining member shall have full authority to designate a successor. Neither of the members of the Board nor its designated representative, shall be entitled to any compensation for services performed pursuant to these covenants.

A. The Boards approval or disapproval as required in these covenants shall be in

writing or stamp approval and signed on plans.

- B. In the event the Board or its designated representative fails to approve or disapprove any plans or specifications within thirty (30) days after such has been submitted to it, approval will not be required thereof and these covenants shall be deemed to have been fully complied with providing a signed document of receipt with the Architectural Control Board, signed and dated.
 - C. A minimum of two members of the Board shall constitute quorum, and a majority vote of the Board shall decide any issue. A signature of any board member shall be accepted as the Boards decision.
 - D. The Architectural Control Board, acting by a majority thereof, shall have the right to interpret and enforce these covenants. Should such Board deem it necessary or convenient, it may require a written interpretation of these covenants adopted by it by appropriate resolution, to be recorded in the records of Bonneville County, Idaho to give notice of such interpretation. However, whether recorded or not, such interpretation by the Board shall be fully effective.
9. Easements. All easements for utilities, roads, and roadways which currently exist on the above described property as of the date these covenants are recorded shall be and remain permanent easements affecting the described property. Furthermore, any description which may have heretofore or hereafter been recorded and which will affect the described property shall be deemed permanent easements affecting the described property. The Architectural Control Board has the authority to vacate an easement.
10. Enforcement. Enforcement of these covenants shall be by proceedings at law or in equity against any person or persons violating, or attempting to violate any covenant hereof, and such proceedings may be either to recover damages for such violation, or to restrain such violation.
11. Saving Clause. Invalidity of any of these covenants by judgment of court order shall in nowise affect any of the other provisions which shall remain in full force and effect.
