

To: CLWC Members

Effective 1/1/2018, the current SRF Loan repayment rates of \$20.00 per 1/10th irrigated, will be **reduced to \$15** per 1/10th irrigated. This change will be implemented in our 1st quarter 2018 billing, approximately **1/3/2018**.

Those Members who pay their quarterly bill through their bank's bill pay system, will need to notify the bank of the change in the payment amount for payments starting in Jan. 2018.

The enclosed chart has your new annual billing amount and your quarterly water billing amount. Please remember vacant lots are only bill annually.
